WHEN SCHOOLS RELEASE EARLY:

The CMCSS communication office will send out information thru email, school messenger automated calls, television/radio notification.

Families with access to the internet can choose how to set your call preferences in School Messenger for calls concerning school closings.

Those options are explained on the CMCSS website at cmcss.net.

In addition, please make sure your child's School Emergency Card contains the most up-to-date contact information for parents and guardians as this information will be used by the CMCSS Communications Office for automated School Messenger phone and email messages.

In the event school closes during the school day, please be sure your child knows your instructions that **DO NOT** include using the phone. As we enter the months where snow and icy weather is possible, school can be a very hectic place when snow is falling, buses are arriving and we are dismissing quickly. It is important that your child's teacher knows how they will go home. If you have not given your child's teacher that information, please do so as soon as possible!

AFTERNOON CHANGES IN TRANSPORTATION CANNOT BE MADE BY PHONE.
This is a CMCSS district policy.
